Additional Information:

Consent to Treat While Boarding:

ALL animals staying at Mercy Pet Resort MUST be current on vaccinations. This includes Rabies, DA2PPL4 and Bordetella (Kennel Cough) for dogs and Rabies and FVRCP for cats. Proof of all vaccinations is required if we do not have them on file. Vaccinations will be given at the time of drop-off, at the hospital's discretion and at owner's expense if your pet is not current. Both dogs and cats need to have proof of a negative fecal test in the last year or proof of intestinal parasite prevention being given monthly. Cats need proof of having a FIV/FeLV test at least once in their life. If your cat is positive for FIV (feline AIDS) or FeLV (Feline Leukemia Virus) they may still board with us, but they will need to stay at the hospital during their stay.

In addition to updating their vaccinations if due...
